## SOME MISSING

WHO was missing from the service set? Well — the Undersecretary of Defense and Mrs. Robert Anderson didn't come. They are in Texas. The Chief of Naval Operations and Mrs. Robert B. Carney are also out of town. So are Lieut. Gen. and Mrs. Charles Cabell — they winged down to South America for a few weeks. Gen. J. Lawton Collins is in the Far East, so Mrs. Collins didn't go to the reception. Mrs. B. W. Hogan stayed away for the same reason. Her husband, the Deputy Surgeon of the Navy, is in Florida.

Then illness took its toll. Both the Navy Surgeon General, Rear Admiral H. L. Pugh, and Rear Admiral Tom B. Hill, Commander of the Potomac River Naval Command, are patients at Bethesda Naval Hospital. The Quartermaster General of the Army, Kester L. Hastings, is in Walter Reed Hospital.
